This matter comes before the Public Service Commission of South Carolina ("the Commission") by way of the request of SeTel, L.L.C. ("SeTel") to cancel its Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications services and to withdraw its tariff.

By letter dated July 7, 2000, SeTel advised the Commission that SeTel was requesting cancellation of its Certificate to provide resold intrastate interexchange telecommunications services and withdrawal of SeTel's tariff.. A review of the docket file reveals that SeTel's authority was granted by Order No. 96-878, dated December 27, 1996. As reasoning for its request, SeTel stated that it is has no customers in South Carolina and has ceased operations for offering telecommunications services in South Carolina.

As SeTel, by its own acknowledgment, is no longer providing the services for which its Certificate was granted and as SeTel has no customers, the Commission finds and concludes that SeTel's request to cancel its Certificate and to withdraw its tariff should be granted.
